

Revised June 15, 2015

JUAN CARLOS ARANGO-LASPRILLA, Ph.D.

Curriculum Vitae

PERSONAL INFORMATION

Name: Juan Carlos Arango Lasprilla
Title: Research Professor University of Deusto
Ikerbasque Research
Address: Avenida de las Universidades 24, 48007, Bilbao, Spain
E-Mail: jcarango@deusto.es
Phone: +34 94 413 90 00 (ext. 3261)

EDUCATION

Post doctorate in Neuropsychological Rehabilitation (2004-2006). University of Medicine and Dentistry of New Jersey, Department of physical medicine and Rehabilitation (Kessler Medical Rehabilitation Research and Education Corporation). NIH Fellow in Neuropsychology and Neuroscience Laboratory.

Doctorate in Clinical Psychology (1998-2002). Concentration in Neuropsychology. Autonomous University of Madrid, Madrid, Spain. Doctoral thesis: "The Usefulness of the Neuropsychological Evaluation in the Diagnosis of Alzheimer's Disease, Huntington's Disease, and Elderly People with Depression."

Specialist's Degree in Neuropsychological and Neurolinguistic Evaluation and Rehabilitation (2000-2001). Autonomous University of Madrid, Madrid, Spain.

Bachelor's Degree in Psychology (1992-1996). Concentration in Clinical Psychology. University of Antioquia, Medellin, Colombia. Thesis: Alzheimer type Dementia with family aggregation.

AWARDS, SCHOLARSHIPS AND HONORS

- 2014 Jose Felix de Restrepo Distinction to the outstanding graduate.** University of Antioquia, Medellin, Colombia.
- 2014 Mitchell Rosenthal Award For Best Paper 2013.** The award-winning article is titled “Life Expectancy Following Rehabilitation: A NIDRR Traumatic Brain Injury Model Systems Study” and was published in the Journal of Head Trauma Rehabilitation.
- 2013 The XVII National Alzheimer Congress.** First Place for Caregiving poster Research Award. Monterrey, Mexico, May 23.
- 2013 Ministry of Economy and Competitiveness of Spain. Subprogram Ramón y Cajal.** Winner of the Ramon y Cajal award for research, to be incorporated as a full-time researcher at the University of Deusto (Bilbao, Spain), May 20, 2013.
- 2012 XXVI National Physical Medicine and Rehabilitation Congress Second Place Best Presentation Award.** For study titled “Multicenter study of epidemiological and clinical characteristics of individuals injured in motor vehicle accidents in Medellin, Colombia, 2009-2010”. October 10-12, Armenia, Colombia.
- 2012 VII International Brain & Mind Congress Honorable Mention Presentation Award.** For abstract titled “Cognitive, emotional, and behavioral sequelae in patients with cranial trauma in Cali, Colombia.” August 25, Medellin, Colombia.
- 2012 Santa Clara Brain Injury Conference Best Poster Award.** For abstract titled “The community integration questionnaire: Construct validity across cultures.” February 24-26, San José, California.
- 2012 Rehabilitation Psychology Annual Conference.** Award-winning for best poster- 2nd place for his work titled “Health-related quality of life and mental health in caregivers of individuals with multiple sclerosis in Guadalajara, Mexico”. Jacksonville, United States
- 2012 International Brain Injury Association Young Investigator Award.** For early career contributions to the field of brain injury. March 19, Edinburgh, Scotland.
- 2011 6th World Congress of the International Society for Physical Medicine and Rehabilitation.** Invited speaker, June 12-16, San Juan, Puerto Rico.
- 2011 National Academy of Neuropsychology Early Career Award.** For substantial early career contributions within 10 years of doctoral degree, with an emphasis on outstanding scholarly activity. November 18, Marco Island, Miami.

- 2011 Basque Foundation for Science Ikerbasque Research Professorship.** Selected for competitive senior researcher position awarded by the Foundation with the goal of bringing established foreign scientists to conduct research in Basque Country, Spain. August 1st, Bilbao, Spain.
- 2010 8th International Brain Injury Association World Congress.** Invited Speaker for masterly conference. March 10-14, Washington D.C.
- 2010 Government of Del Valle del Cauca, Cali, Colombia.** Declared honorable guest of Governor Francisco Jose Lourido Muñoz. October 2nd.
- 2010 Latin American Rehabilitation Medicine Association.** Invited Speaker at the XXIV Congress. August 25-28, Cartagena de Indias, Colombia.
- 2010 Universidad CES Medellin. Undergraduate Research Study Award (Mentor/Co-researcher).** Co-researcher and mentor of best student research award winner for: Analysis of anger in patients with ischemic cardiopathy. October 20th, Medellin, Colombia.
- 2010 Universidad CES Medellin.** Award for best educational research in the department of Psychology for his work: Differences in the quality of life in patients with coronary heart disease: follow-up study. Medellin, Colombia.
- 2009 Honorary President of the 2nd International Clinical Neuropsychology Congress.** October 14-16, Guadalajara, Mexico.
- 2009 Recognition by the Office of the President, Republic of Colombia.** Congratulated by letter from President **Álvaro Uribe Vélez** for professional research achievements in the field of psychology. September 11, Bogota, Colombia.
- 2009 Paralyzed Veterans of America Scholarship.** Awarded funding to participate in the 2009 American Congress on Spinal Cord Medicine and Rehabilitation in Dallas, TX, September 23-26.
- 2009 International Conference on Culture, Ethnicity and Brain Injury Rehabilitation.** President of congress. Washington D.C., United States
- 2009 Universidad CES Medellin Undergraduate Research Study Award (Mentor/Co-researcher).** Co-researcher and mentor for best student research award winner. October 18, Medellin, Colombia.
- 2009 American Congress of Rehabilitation Medicine Second Place Poster Award.** For the abstract titled "Race-ethnicity differences in satisfaction with life among persons with traumatic brain injury."

- 2009 Honorary Member of the Colombian Association of Physical Medicine and Rehabilitation.** For significant contributions to the field of neurorehabilitation.
- 2009 American Psychological Association Division 45 Emerging Professional Award.** For outstanding contributions (education, research, or practice) that promote ethnic minority issues within 10 years of earning a doctoral degree.
- 2009 American Psychological Association, Mitch Rosenthal Division 22 Early Career Award.** For significant contributions to the science of rehabilitation psychology during the first 10 years since earning a doctoral degree. August 7, Toronto, Ontario, Canada
- 2009 University of Antioquia Outstanding Alumnus Award.** Department of Psychology. October 6, Medellin, Colombia.
- 2008 University of Antioquia Professional Excellence Award.** Selected by Department of Psychology students at the University of Antioquia, Medellin, Colombia.
- 2007 Marquis Who's Who.** Biographical profile selected to be included in the prestigious Who's Who in America, 2008. United States.
- 2006 New Jersey Neuropsychological Society Annual Postdoctoral Fellow Research Award in Neuropsychology.** For outstanding research at the postdoctoral level for the published article "Functional outcomes in traumatic brain injury survivors: How do Hispanics measure up?"
- 2006 Brain Injury Association of New Jersey Founders' Award.** For exceptional volunteer services that benefit persons with brain injury and their families.
- 2006 Colombian Psychological Society Excellence in Research Award.** For being an outstanding Colombian researcher in the psychological sciences. Awarded bi-annually.
- 2006 Exemplary Antioquian Award.** Selected by the Medellin city government to recognize citizens living abroad who have made a significant contribution to their professions.
- 2005 Kessler Rehabilitation Research and Education Corporation Board of Trustees Award.** For outstanding efforts to raise awareness of cultural issues in medical rehabilitation and involvement in clinical research projects to benefit individuals from minority backgrounds.
- 2005 Conference Scholarship.** Awarded funding from Consortium of Multiple Sclerosis Centers (CMSC) conference committee to present at and participate in the 19th CMSC Annual Meeting in Orlando, FL.

- 2005 American Psychological Association (APA) Presidential Latino/a Leadership Citations for Students and Early Career Psychologist Award.** For being a rising Latino leader in the field of psychology. Awarded at the APA Annual Convention in Washington, DC, August 18-21.
- 2005 National Institute on Disability and Rehabilitation Research (NIDRR) de los EEUU.** Guest Speaker for lecture entitled: "Traumatic Brain Injury and Functional Outcomes: Does minority status matter?" 2005. Arlington, United States.
- 2004 National Institute of Health (2004-2006).** Recipient of a training award scholarship to complete a post-doctoral fellowship in the Department of Physical Medicine and Rehabilitation at the University of Medicine and Dentistry of New Jersey.
- 2004 Conference Scholarship.** Awarded funding from Brain Injury Association of New Jersey to participate in their 22nd Annual Seminar titled "Restoring Role and Purpose after Brain Injury."
- 2004 Conference Scholarship.** Awarded funding from Moss Rehabilitation Research Institute to participate in their working group titled "Cognitive Rehabilitation Research: Mapping Theory to Treatment Intervention" in Philadelphia, PA.
- 2004 National Institute on Disability and Rehabilitation Research (NIDRR).** Guest speaker: "Traumatic brain injury and functional outcomes: Does minority status matter?" July 11, 2005 in Arlington, VA.
- 2003 CANIEM Award by the National Publishers Board of Mexico.** Award presented to the publisher with the best book of the year. Awarded to the publisher Manual Moderno for the scientific quality of the book by Arango, Fernandez and Ardila (Eds.) titled *Dementia: Clinical, Neuropsychological, and Treatment Perspectives*.
- 2000 Tuition Scholarship for the Specialist's Degree Program.** Awarded scholarship to complete studies in the Complutense University of Madrid's Neuropsychological and Neurolinguistic Evaluation and Rehabilitation Program.
- 1999 Conference Scholarship.** Awarded funding from the Second National Conference of Alzheimer's Disease committee to participate in the International Conference on Dementia in Bilbao, Spain
- 1999 Colombian Institute for the Development of Science and Technology's Excellence in Science Award.** While serving as a research team member of the Neurosciences Group of Antioquia, Colombia, the group received this national award for their outstanding scientific work.

- 1998 Spanish Agency for International Cooperation Doctoral Training Scholarship.** Awarded one of the most prestigious scholarships in Latin America to study at a post-graduate program in Spain. As the winner of the competition among students from Central and South America, received four years of living stipend and tuition. Completed Ph.D. program at the Autonomous University of Madrid.
- 1997 Colombian Institute for the Development of Science and Technology's Postgraduate Study Abroad Scholarship.** Selected in national competition to receive tuition and a living stipend while pursuing a postgraduate degree at the University of Cambridge, England.
- 1997 Colombian Institute for the Development of Science and Technology's Young Investigator Scholarship.** Awarded funding to work for a year with the Biogenesis Group in the area of neuroscience.
- 1997 The Alejandro Ángel Escobar Foundation Award for Best National Investigation in the Sciences.** Awarded as a research team member of the Neurosciences Group of Antioquia, Colombia for work on familial Alzheimer's disease.
- 1997 Motion of Congratulations.** Extended by the University of Antioquia's School of Medicine to recognize outstanding research work of conducted as part of the neurosciences group of Antioquia.
- 1996 University of Antioquia's Best Student Investigator Award.** Awarded for undergraduate research thesis on Alzheimer's disease.
- 1996 Motion of Congratulations.** Extended by the University of Antioquia's School of Human and Social Sciences to recognize outstanding research work concerning familial Alzheimer's disease.
- 1996 Colombian Institute for the Development of Science and Technology's Best National Investigation Award.** Award as a research team member of the interdisciplinary group Biogenesis, Colombia for outstanding scientific contributions in their work on familial Alzheimer's disease.
- 1995 University of Antioquia's "Top of the Class" Award.** For best student with the best academic performance during the school year.

TEACHING EXPERIENCE

1. Department of Psychology. **University of Cape Town.** Cape Town, South Africa. Invited professor to teach in a Masters in Neuropsychology. August 27, 2015.
2. Department of Psychology. **University of the Witwatersrand.** Johannesburg, South Africa. Invited professor to teach in a Masters in Neuropsychology. August 28, 2015.
3. Department of Health Psychology. **Universidad de Alicante,** Alicante, Spain. Invited professor to teach a course about scientific writing. May 30 and 31, 2015.
4. Department of Psychology, **Universidad de Antioquia,** Medellin, Colombia (May 15, 2015). Invited professor to teach a class on scientific writing.
5. Department of Psychology, **Universidad Antonio Nariño,** Ibague, Colombia (May 13, 2015). Invited professor to teach a class on how to write a successful thesis.
6. Department of Psychology, **Universidad San Buenaventura,** Bogota, Colombia (May 8 and 9, 2015). Invited professor to teach a course on neuropsychology.
7. Department of Psychology, **Universidad de los Libertadores,** Bogota, Colombia (May 6 and 7, 2015). Invited professor to teach a workshop on neuropsychology.
8. Department of Psychology. **Pedagogical and Technological University of Colombia.** Tunja, Colombia (May 4 and 5, 2015). Invited professor to teach a workshop on Neuropsychological Assessment and diagnosis.
9. School of Medicine, **University of Tromso,** Tromso, Norway (June, 2014). Invited keynote speaker for the 7th National Congress of Brain Injury.
10. Department of Health Psychology, **University of Alicante,** Alicante, Spain (May, 2014). Invited professor for course on scientific writing.
11. Department of Psychology, **Autonomous University of Bucaramanga,** Bucaramanga, Colombia (May, 2014). Invited professor for course on writing of scientific manuscripts in psychology.
12. Department of Neuroscience, **Higher Institute of Psychological Studies (ISEP),** Madrid, Spain (April, 2014). Invited professor for course titled "Learning with the Best".
13. Department of Psychology, **University of Monterrey,** Mexico (March, 2014). Invited guest speaker for symposium on neuroscience and neuropsychology.

14. Department of Psychology, **Vocational Institute 'Enrique Díaz de León'**, Guadalajara, Mexico (March, 2014). Invited professor for course on scientific writing and bibliometrics.
15. Department of Psychology, **University of Oporto**, Oporto, Portugal (January, 2014). Invited professor for course on advances in brain injury research.
16. Department of Psychology, **University of Almeria**, Spain (October, 2013). Invited professor for course on family and caregivers of individuals with acquired brain injury.
17. Department of Psychology, **Technological University of Monterrey**, Mexico (October, 2013). Invited professor for course on continuing education in neuropsychology.
18. Department of Psychology, **Autonomous University of the State of Morelos**, Mexico (October, 2013). Invited professor to teach a course on psychological intervention programs for caregivers of individuals with acquired brain injury.
19. Department of Psychology, **Uniminuto University**, Colombia (October, 2013). Invited professor to teach a course on scientific writing and publication.
20. Department of Psychology, **University of Barcelona**, Spain (February, 2013). Invited professor to participate in the event "Neuro-cinema".
21. Department of Psychology, **University of Valencia**, Spain (February, 2013). Invited professor for course on cognitive rehabilitation, and to participate in the cultural week.
22. School of Medicine, **University of Granada**, Spain (January, 2013). Invited professor for course on brain injury and rehabilitation for the Master's program in Neuroscience and Pain.
23. Department of Psychology, **University of Manizales**, Colombia (September, 2012). Invited professor at an international congress of medical psychology.
24. Department of Psychology, **Autonomous University of Bucaramanga**, Bucaramanga, Colombia (May, 2012). Invited professor for course on cognitive rehabilitation after brain injury.
25. Department of Psychology, Laboratory of Neuropsychology, **University of Hong Kong**, Hong Kong, China (January 2012). Invited talk on cognitive rehabilitation and TBI.

26. Department of physical medicine and Rehabilitation. **University of Oslo**, Oslo, Norway. Invited professor to the International Symposium of Traumatic Brain injury. November 23-26, 2011.
27. Department of physical medicine and Rehabilitation, **University of Oslo**, Oslo, Norway (November, 2011). Invited professor for TBI rehabilitation and research symposium.
28. Department of Personality Evaluation and Psychological Treatment, **University of Granada**, Granada, Spain (October, 2011). Invited professor for course on cognitive rehabilitation in individuals with brain injury.
29. Department of Psychological and Behavioral Sciences, **University of Barcelona**, Barcelona, Spain (October, 2011). Invited to participate in fMRI and rehabilitation work group.
30. School of Medicine, **University of Puerto Rico**. San Juan, Puerto Rico (June 2011). Invited professor for course on Cognitive rehabilitation of Individuals with Traumatic Brain Injury.
31. Department of Psychology, **CETYS University**, Baja California, México (March, 2011). Invited to teach course at the First Congress of Applied Psychology.
32. Department of Psychology, **Autonomous University of Baja California**, Baja California, México (March, 2011). Invited to teach course on rehabilitation of learning and memory problems in individuals with TBI.
33. Department of physical medicine and Rehabilitation, **Virginia Commonwealth University**, Richmond, Virginia (2007-2012). Tenured Associate Professor.
34. Department of Psychology, **Pontifical Catholic University of Chile**, Santiago, Chile (August, 2010). Invited professor for course on the state of the art in brain injury research.
35. Department of Psychology, **Deusto University**, Bilbao, Spain (May, 2010). Invited professor for course in advances in treatment of traumatic brain injury.
36. Department of Psychology, **CES University**, Medellin, Colombia (April, 2010). Invited to participate in The III International Course on Health Psychology.
37. School of Psychology. **University Foundation Luis Amigo**. Medellin, Colombia. Guest speaker at the VII Latin American Congress of XIX national psychology students "Progress and perspectives of psychology in Latin America. September 17-19, 2009.

38. Department of Psychology (Master's Program), **University of Seville**, Seville, Spain (June, 2009). Invited professor for course on advances in the study of traumatic brain injury.
39. Department of Psychology, **University of San Buenaventura**, Bogota, Colombia (May, 2009). Invited professor for course on neuropsychological rehabilitation of individuals with traumatic brain injury.
40. Department of Psychology, **Autonomous University of Nuevo León**, Monterrey, México (May, 2009). Invited professor for course on evaluation, diagnosis, and treatment of individuals with traumatic brain injury.
41. School of Medicine, (Master's Program, Epidemiology), **University of Antioquia**, Medellin, Colombia (April, 2009). Invited professor for workshop regarding writing scientific manuscripts.
42. Department of Psychology, **George Washington University**, Washington D.C. (April, 2009). Invited professor for course on traumatic brain injury rehabilitation and psychosocial outcomes.
43. Department of Psychology, **University of Salamanca**, Salamanca, Spain (April, 2008). Invited professor for course on the neuropsychology of dementia.
44. Department of Neurosciences, **University of Guadalajara**, Guadalajara, México (February, 2008). Invited professor for course on advances in evaluation and rehabilitation of individuals with dementia.
45. Department of physical medicine and Rehabilitation. **Virginia Commonwealth University**, Richmond, United States. Assistant professor 2007-2010.
46. Department of Disability and Human Development, **University of Illinois**, Urbana-Champaign, Illinois (July, 2007). Invited professor for course on current findings regarding disability, race, and culture.
47. Department of Psychology, **Pontifical University of Javeriana in Cali**, Cali, Colombia (October, 2007). Invited professor for course on diagnostic evaluation and treatment of individuals with traumatic brain injury.
48. Department of Psychology, **Cooperative University in Colombia**, Bogota, Colombia (May, 2007). Invited professor for course on investigational methodology, statistical analysis, and publications in psychology.
49. Department of Psychology, **Antonio Nariño University**, Ibagué, Colombia (November, 2006). Invited professor for course on evaluation, classification, diagnosis, and treatment of dementia.

50. Department of Psychology, **Rutgers University**, Newark, New Jersey (October, 2006). Invited professor for course on influence of gender and culture on cognitive functioning.
51. Department of Psychology, **Oviedo University**, Asturias, Spain (September, 2006). Invited professor for course on cognitive rehabilitation.
52. Department of Physical Medicine and Rehabilitation, **University of Medicine and Dentistry of New Jersey**, Newark, New Jersey (2005-2006). Assistant Professor.
53. Department of Psychology (Master's Program), **del Norte University in Barranquilla**, Barranquilla, Colombia (November, 2005). Invited professor for course on specialization in learning disabilities.
54. School of Medicine, **Technology University of Pereira**, Pereira, Colombia (July, 2005). Invited professor for course on rehabilitation of individuals with brain damage.
55. Department of Psychology (Doctoral Program). **National Autonomous University of México**, México City, México (March, 2005). Invited professor for course on rehabilitation of memory in individuals with traumatic brain injury.
56. Department of Psychology, **National University of Buenos Aires**, Argentina (November, 2004). Invited professor for course on neuropsychological rehabilitation.
57. Department of Psychology, **Ricardo Palma University**, Lima, Peru (September, 2003). Invited professor for course on cognitive rehabilitation of persons with dementia.
58. Department of Psychology, **Sur Colombiana University**, Neiva-Huila, Colombia (September, 2003). Invited professor for course on neuropsychological evaluation and rehabilitation of dementias.
59. Department of Psychology, **University Complutense of Madrid**, Madrid, Spain (2001-2002). Professor of cognitive neuropsychology, child psychology, neuropsychology of dementias, and neuropsychology of attention (master's level).
60. Department of Psychology, University **of San Buenaventura**, Medellin, Colombia (1997-1998). Professor of neuropsychological evaluation and diagnosis, clinical neuropsychology, neuroanatomy, and neurophysiology.
61. Department of Psychology, **Cooperative University in Colombia, Envigado-Antioquia**, Colombia (1997-1998). Professor of neuropsychology and neurophysiology.

62. Department of Psychology, **University of Antioquia**, Medellin, Colombia (1997-1998). Professor of neuropsychology and thesis advisor.

SYMPOSIUM ORGANIZER

1. Race, Ethnicity, and Disabilities: State of the Science Conference. Arlington, Virginia. March 1-2, 2012.
2. Brain Injury in Spanish-Speaking Individuals: Research Findings and Clinical Implications. The Santa Clara Valley Brain Injury Conference. San Jose, California, February 23-25, 2012.
3. Cross Cultural Views of Traumatic Brain Injury. Eighth World Congress on Brain Injury. Washington, D.C., March 10-14, 2010.
4. The Effect of Acculturation on Cognitive Performance and Rehabilitation Interventions on Hispanics. APA Annual Convention, New Orleans, Louisiana, August 13, 2006.
5. Cognitive Rehabilitation and Functional Outcomes in Spanish-speaking TBI Survivors. Symposium organized for The 34th Annual Meeting of the International Neuropsychological Society. Boston, Massachusetts, February 1-4, 2006.

CONFERENCES AND WORKSHOPS

1. Actual state of neuropsychology in Colombia. Universidad de Antioquia. May 15, 2015. Medellin, Colombia.
2. Ethics and neuropsychology in Colombia. Universidad de Antioquia. May 15, 2015. Medellin, Colombia.
3. Brain trauma and neuropsychological outcomes. Universidad de Antioquia. May 15, 2015. Medellin, Colombia.
4. How to write and publish scientific papers. Universidad Antonio Narino. May 12, 2015. Ibague, Colombia.
5. Investigation and publications. Universidad de Antioquia. May 15, 2015. Medellin, Colombia.
6. Fundamentals in scientific writing. Universidad de Antioquia. May 15, 2015. Medellin, Colombia.
7. Structure of the scientific article. Universidad de Antioquia. May 15, 2015. Medellin, Colombia.
8. Elaboration of an investigation article. Universidad de Antioquia. May 15, 2015. Medellin, Colombia.

9. Ethics and investigation when publishing. Universidad de Antioquia. May 15, 2015. Medellin, Colombia.
10. Steps to consider when picking a magazine to publish. Universidad de Antioquia. May 15, 2015. Medellin, Colombia.
11. Language alterations in preclinical phase of dementia. Universidad Antonio Narino. May 12, 2015. Ibague, Colombia.
12. Evaluation, diagnosis and rehabilitation of sexual deficits in people with craneoencefalic trauma. Universidad Sur Colombiana. May 11, 2015. Neiva, Colombia.
13. Usefulness of new technologies in the rehabilitation of people with brain damage. Neuropsychology in Colombia: normative data, current status and future challenges. St. Bonaventure University. May 8 and 9, 2015. Bogotá, Colombia.
14. Intervention with family and caregivers of individuals with brain injuries. Neuropsychology in Colombia: normative data, current status and future challenges. St. Bonaventure University. May 8 and 9, 2015. Bogotá, Colombia.
15. All that neuropsychologists should know about neuropsychological assessment in Spanish-speaking patients. Neuropsychology in Colombia: normative data, current status and future challenges. St. Bonaventure University. May 8 and 9, 2015. Bogotá, Colombia.
16. Ethical aspects to consider for good professional practice of neuropsychology in Colombia. Neuropsychology in Colombia: normative data, current status and future challenges. St. Bonaventure University. May 8 and 9 2015. Bogotá, Colombia.
17. State of the art of neuropsychology in Colombia: Vocational training, employment status, evaluation, rehabilitation, teaching and research. Neuropsychology in Colombia: normative data, current status and future challenges. St. Bonaventure University. May 8 and 9, 2015. Bogotá, Colombia.
18. Variables to consider in the neuropsychological evaluation and diagnosis. Fundacion Universitaria los Libertadores. May 6, 2015. Bogota, Colombia.
19. How to write and publish scientific papers. Fundacion Universitaria los Libertadores. May 6, 2015. Bogota, Colombia.
20. Neuropsychology and education. Fundacion Universitaria los Libertadores. May 6, 2015. Bogota, Colombia.

21. Brain damage and neuropsychology. Fundacion Universitaria los Libertadores. May 6, 2015. Bogota, Colombia.
22. Memory evaluations and normative data for a Colombian population through the Hopkins Verbal Learning Test-R and complex REY figure. Seminar Workshop Neuropsychological Assessment and diagnosis. Pedagogical and Technological University of Colombia. May 4-5, 2015. Tunja, Colombia.
23. Basic Principles of neuropsychological assessment. Seminar Workshop Neuropsychological Assessment and diagnosis. Pedagogical and Technological University of Colombia. May 4-5, 2015. Tunja, Colombia.
24. Preclinical factors of dementia. *Healthy Aging*. Basque Culinary Center. October 24, 2014, San Sebastián, Spain.
25. Psychological interventions and work with families of people with brain damage. *XIV Neurology for Psychologists*. September 13, 2014, Mexico DF, Mexico.
26. Rehabilitation of emotional problems in people with brain damage. *XIV Neurology for Psychologists*. September 13, 2014, Mexico DF, México.
27. Cognitive rehabilitation for people with brain damage. *XIV Neurology for Psychologists*. September 13, 2014, México DF, México.
28. State of the Art of Brain Injury Family Intervention: Practical Approaches and their Effectiveness. *The 7th Norwegian National Conference On Traumatic Brain Injury*. June 12-13, 2014, Tromsø, Norway.
29. The situation of the family members: a cross-cultural perspective. *The 7th Norwegian National Conference On Traumatic Brain Injury*. June 12-13, 2014, Tromsø, Norway.
30. Neuropsychological assessment of people with neurodegenerative diseases. *International Seminar And Diagnosis Of Neuropsychological Assessment*. June 16-17 2014. Barranquilla, Colombia.
31. Neuropsychological assessment in people with stroke. *International Seminar And Diagnosis Of Neuropsychological Assessment*. June 16-17 2014. Barranquilla, Colombia.
32. Neuropsychological assessment in people with neurodegenerative diseases. *International Seminar And Diagnosis Of Neuropsychological Assessment*. June 16-17 2014. Barranquilla, Colombia.

33. Neuropsychological evaluation of the processes of learning and memory. *International Seminar And Diagnosis Of Neuropsychological Assessment*. June 16-17 2014. Barranquilla, Colombia.
34. Neuropsychological evaluation of the processes of learning and memory. International Seminar neuropsychological assessment and diagnosis. *International Seminar And Diagnosis Of Neuropsychological Assessment*. June 16-17 2014. Barranquilla, Colombia.
35. The process of reviewing the article and the response to the editor. Department of Psychology. *Autonomous University of Bucaramanga*. May 14 - 15, 2014, Bucaramanga, Colombia.
36. Practical Advice to know when to choose a journal and send an article. Department of Psychology. *Autonomous University of Bucaramanga*. May 14 - 15, 2014, Bucaramanga, Colombia.
37. Issues to consider in drafting the discussion of scientific paper. Department of Psychology. *Autonomous University of Bucaramanga*. May 14 - 15, 2014, Bucaramanga, Colombia.
38. How to write the introduction, methods and results of a scientific article. Department of Psychology. *Autonomous University of Bucaramanga*. May 14 - 15, 2014, Bucaramanga, Colombia.
39. Recent advances in the study of brain damage. *I National Meeting on International Clinical Psychology and Health*. May 12, 2014, Medellin, Colombia.
40. Spinal cord injuries and their impact on sexual function. *V International Seminar on Health Psychology: Health and Sexuality*. University of Ibague. May 9 and 10, 2014, Ibague, Colombia.
41. Everything you wanted to know about sexuality in people with brain damage and never dared to ask. *V International Seminar on Health Psychology: Health and Sexuality*. University of Ibague May 9 and 10, 2014, Ibague, Colombia.
42. How to publish articles in scientific journals of high impact: Keys to success. Javeriana University in Cali. May 7, 2014. Santiago de Cali, Colombia.
43. Research on caregivers of people with dementia in Colombia. *VI International Scientific Conference on Alzheimer's Disease and Other Dementias*. May 8 - 9 2014. Santiago de Cali, Colombia.
44. Cognitive symptoms in the preclinical phase of AD. *VI International Scientific Conference on Alzheimer's Disease and Other Dementias*. May 8 - 9 2014. Santiago de Cali, Colombia.

45. Recent advances in research on head trauma: acute rehabilitation phase. *Seminar Learn from the best*. ISEP. April 26, 2014, Madrid, Spain.

THESIS COMMITTEE

Doctoral Thesis

Student: Laura Sanchez

Title: A functional approach to the development of sexual fantasies.

University: Department of Psychology, University of Almería.

Location: Almería, Spain.

2014

Student: Jenna Strizzi

Title: Positive and negative aspects of being non Heterosexual.

University: Department of Psychology, University of Almería.

Location: Almería, Spain.

2014

Student: Natalie Tsz-Yan Leung

Title: Effects of cognitive training on enhancing verbal and visual-Spatial working memory in older adults at risk of cognitive decline: an interim analysis

University: Department of Psychology, University of Hong Kong

Location: Hong Kong, China

2014

Student: Elizabeth G Nicholls

Title: Relationships between Parent Problem-Solving Abilities and Child and Parent Posttraumatic Stress Disorder Symptoms after Pediatric Injury
University: Drexel University
Location: Philadelphia, USA.
2014

Student: Beatriz Castaño Monsalve
Title: Clinical characteristics and psychopathological assessment of behavioral changes secondary to head trauma
University: Autonomous University of Barcelona
Location: Barcelona, Spain.
2014

Student: TAM Man Kin Helena
Title: Cognitive functioning of the aging brain
University: Department of Psychology, University of Hong Kong
Location: Hong Kong, China
2013

Student: Sze Hoi Yee Esther
Title: The relationship between rhythmic synchronization and response inhibition
University: Department of Psychology, University of Hong Kong
Location: Hong Kong, China
2012

Student: Tong Sung Ki
Title: Emotion regulation among individuals with obsessive-compulsive disorder
University: Department of Psychology, University of Hong Kong
Location: Hong Kong, China
2011

Student: Paola Premuda
Title: Comparison of long-term outcomes after rehabilitation services in a sample of DRS customers in the Southern Illinois region
University: Southern Illinois University at Carbondale
Location: Carbondale, Illinois, USA.
2008

Student: Kelli Williams
Title: Racial Differences in Employment Outcomes after TBI at 1, 2, 5, 10 Post-injury
University: Virginia Commonwealth University
Location: Richmond, Virginia, USA.
2008

Master's thesis

Student: Elizabeth G Nicholls
Title: Psychological Functioning in Children and Adolescents living with Spinal Cord Lesions and their Caregivers in Colombia, South America
University: Drexel University.
Location: Philadelphia, USA
2014.

Student: Megan Elizabeth Sutter
Title: Family needs, caregiver burden, and mental health: caregivers of individuals with various neurological conditions from Colombia and Mexico.
University: Virginia Commonwealth University.
Location: Richmond Virginia, USA
2014.

Student: Alejandra Morlett Paredes
Title: The influence of dementia caregiver mental Health on quality of care in Argentina.
University: Virginia Commonwealth University.
Location: Richmond Virginia, USA
2014.

Kelli Williams Gary, Ph.D
Mimi Getachew, Ph.D
Hugo Senra, Ph.D

DIRECTOR OR CO-DIRECTOR OF STUDENTS AND/OR WORKS

Doctorate

Student: María González Nosti
Title: The influence of psycholinguistic variables on the generation effect.
University: University of Oviedo, Department of Psychology
Location: Oviedo, Spain.

Student: Carlos de los Reyes
Title: Utility generation effect on learning and memory information.
University: University of Salamanca, School of Psychology
Location: Salamanca, Spain.

Student: Hinemoa Elder

Title: Tuku iho; he tapu te upoko. From our ancestors the head is sacred. A Framework for the rehabilitation of tamariki Māori with traumatic brain injury (TBI)

University: Massey University,

Location: New Zealand.

Student: Alexander Moreno

Title: Sexual disorders and their treatment in people with brain damage

University: University of Montreal

Location: Canada.

Student: Edna Johana Herrera Merchán

Title: Psychosocial intervention in a group of carers of people with dementia

University: University of Salamanca

Location: Spain.

Student: Diego Rivera Camacho

Title: Cognitive and emotional outcomes for children with head injury a year after the accident.

University: University of Deusto.

Location: Bilbao, Spain.

Student: Ivan Panyavin

Title: The influence of family dynamics in caregiver psychological functioning and quality of care.

University: University of Deusto.

Location: Bilbao, Spain.

Student: Laiene Olabarrieta Landa

Title: Fluency Phonological Study, Action Semantics and Bilingual Subjects Basque / Spanish and Catalan / Spanish

University: University of Deusto.

Location: Bilbao, España.

Student: Naiara Mimentza

Title: Longitudinal study in individuals with stroke and their caregivers.

University: University of Deusto.

Location: Bilbao, Spain.

Student: Javier Galarza del Angel

Title:

University: Autonomous University of Nuevo Leon.

Location: Monterrey, Mexico.

Student: Cristina Elizabeth Garcia Guerrero

Title:

University: University of Almería.

Location: Almería, Spain.

Master's

Camila Aguilera. University San Buenaventura Bogota.

Nataly Garzón. University San Buenaventura Bogota.

Alexis Díaz. University San Buenaventura Bogota.

Dulce Díaz. Autonomous University of Mexico

Ana de Luis. University of Deusto, Bilbao, Spain.

Paola Fonseca

Title: Child Neuropsychology

University: Deusto University.

Location: Bilbao, Deusto.

2014.

Undergraduate

Student: Paule San Salvador del Valle

Title: Psychological functioning and quality of life in Colombian caregivers of individuals with dementia.

University: Universidad de Deusto

Location: Bilbao, Spain.

2013

Student: Ana de Luis

Title: The relationship between family dynamics and the psychological state of a group of caregivers of individuals with dementia.

University: Deusto University

Location: Bilbao, Spain.

2013

Student: Javier Malda Castillo

Title: Technology Use in a Group of Spanish Speaking Individuals with Traumatic Brain Injury or Spinal Cord Injury: Patterns, Attitudes and Behaviors.

University: Deusto University

Location: Bilbao, Spain.

2013

Student: Claudia Patricia Mesa y Alexandra Pineda

Title: Profile of neuropsychological impairment in familial Alzheimer's disease

University: University of Antioquia.

Location: Medellín-Colombia

1997
